China main issue for Cong, BJP for by-polls to 24 assembly seats in MP

The stand-off at the Line of Actual Control (LAC) between India and China has become a political issue for the ruling Bharatiya Janata Party (BJP) and the opposition Congress ahead of the elections to the 24 assembly constituencies, which hold key to the party that would form the government in Madhya Pradesh.

The BJP has 107 legislators and Congress 92 in the assembly. The party with 116 legislators would have the majority in 230-member house.

The BJP has announced it will go from door-to-door to tell people how the Rajiv Gandhi Foundation received a donation from China and how the then Union commerce and industries minister Kamal Nath played a key role in building the relationship between China and the Congress party.

The allegations have prompted Congress to raise the issue of the visit by chief minister Shivraj Singh Chouhan and other state and central

BJP leaders to China in the past and Chouhan accepting hospitality of the Chinese Communist Party.

On Sunday, BJP leaders burnt effigies of state Congress president Kamal Nath in two places in Bhopal.

"Congress stands exposed after donations to Rajiv Gandhi Foundation. In the capacity of union commerce and industries minister Kamal Nath had reduced import duty from 40% to 200% on 250 items that benefitted China and hard

hit those who were engaged in small trades in the country," VD Sharma, the BJP's state unit chief, said.

Sharma reiterated the charges the party's national vice-president Prabhat Jha had levelled on Friday.

Bhupendra Gupta, the Congress' state unit spokesperson, said the party will expose the "real face of the BJP" in context with its relations with China and it would "definitely be one of the main issues during the by-polls."

"Chief minister Shivraj Singh Chouhan visited China twice during his previous term as the CM. Once he accepted the hospitality of the Communist Party. The fact is the BJP has been trying to build a good relationship with China since 2009 when it sent a delegation and again in 2014 to understand the working of the Communist Party over there. These delegations had certain people with Sangh background too," Gupta said. Even otherwise, he said, "During the BJP regime import from China has gone up three folds. In this situation, the BJP must make it clear as to who is an agent of China- BJP or Congress?" Political analyst Girija Shankar said the BJP and Congress are picking up "non-issues". "Though the BJP and Congress both are making massive preparations for the by-polls, neither of these two parties has raised any real issue concerning the people so far. Since both the parties are cut-off from the ground reality, they are raising non-issues like China with an eye on by-polls," Shankar said.

2 Taj hotels in Mumbai get threat calls from 'LeT operative in Pak', cops step up vigil

MUMBAI : Mumbai Police has beefed up its security detail at two Taj properties -- Taj Mahal Palace and Tower Hotel at Colaba and Taj Lands End at Bandra (West) -- after a caller, who purportedly identified himself to be a Lashkar-e-Taiba (LeT) operative from Pakistan, threatened the hotel authorities at around 12.30am on Tuesday.

Two separate calls were made to the hotels, when earlier on Monday four security personnel of Pakistan Stock Exchange in Karachi were gunned down by four terrorists.

A Mumbai Police official, requesting anonymity, said that the hotel authorities received the threat calls and security has been intensified at the properties.

Quick Reaction Teams (QRTs), counter-terrorism units, etc; have been deployed at both the hotels.

A Mumbai Police official, requesting anonymity, said that the hotel authorities received the threat calls and security has been intensified at the properties.

Police said that the first threat call was made at around 12.30am on Tuesday to the Colaba property that was attended to by a hotel employee.

The caller issued a threat of blowing up the hotel in a similar manner to November 26, 2008, carnage, where nine LeT operatives had laid siege to the property, which went on for over 60 hours and claimed scores of innocent tourists, guests, and hotel employees' lives. Later, a

similar call was made to the Bandra (West) property.

Both the calls were made from a single number, which is being investigated by a team of cyber cell officials, Mumbai Police authorities said. Both the hotels are shut because of the raging coronavirus disease (Covid-19) outbreak but security has been beefed up to prevent any untoward incident, said a Mumbai Police official, who didn't wish to be named.

Delhi's Jama Masjid to reopen on July 4: Shahi Imam

New delhi : The historic Jama Masjid will reopen for congregational prayers (namaz) from Friday (July 4), Syed Ahmed Bukhari, the Shahi Imam of the national capital's largest mosque, said on Tuesday.

Though the mosque was opened on June 8 amid the easing of nationwide lockdown restrictions, which were imposed from March 25 to contain the spread of the raging coronavirus disease

(Covid-19) pandemic, it was closed three days later because of a spike in the viral outbreak cases in Delhi. The Shahi Imam had sought public opinion

before deciding to temporarily close down the mosque for congregational prayers until

Tuesday (June 30). The move was also prompted by a personal tragedy for the Shahi Imam, when his personal assistant for 20 years, Amanullah (57),

had succumbed to the contagion. The Shahi Imam said the mosque authorities are ready to reopen the place of worship only after safety precautions are put in place.

Mosque-goers have been requested to perform wazoo -- an Islamic procedure for cleansing parts of the body, or a ritual purification -- at home in a

bid to maintain adequate social distancing and also urged to bring their own prayer mats. "The fear about the viral outbreak is receding among people, despite a spike in Covid-19 cases in Delhi.
