India, Maldives discuss ways to boost economic recovery

New delhi: India and the Maldives on Monday discussed ways to boost the Indian Ocean archipelago's economic recovery amid the Covid-19 pandemic, including enhancing tourism and speeding up development projects. The two sides are set to sign four memorandums of understanding (MoUs), including one for the grant of \$100 million by India for the \$500-million Greater Male Connectivity Project that will link the capital Male with three islands.

Talks in Male between visiting foreign secretary Harsh Shringla and his Maldivian counterpart Abdul Ghafoor Mohamed focused on economic recovery amid the pandemic. Shringla, who is on a two-day visit, also met President Ibrahim Solih to review bilateral ties. The foreign secretaries discussed ways to strengthen and deepen the multifaceted relationship, according to a

statement from the Maldives' foreign ministry. They emphasised "recovery and resilience efforts to curb the onset of the Covid-19 pandemic, including boosting tourism, accelerating the implementation of the ongoing development cooperation projects across the Maldives, and the means of elevating connectivity and bilateral trade between the Maldives and India", the statement said. The four MoUs expected to be signed during Shringla's visit will cover the Greater Male Connectivity Project, cooperation in youth and sports affairs, setting up soil and plant testing laboratories, and establishing a drug detox facility.

India has unveiled a slew of measures to boost economy recovery in the Maldives, where the tourism industry has been hit hard by the pandemic. Last month, India provided a soft loan of \$250 million as budgetary support, and announced a \$500-million package in August to help build the Greater Male Connectivity Project. Besides the \$100-million grant, India will provide a \$400-million line of credit for the project. The two sides also launched a cargo ferry service connecting Tuticorin and Cochin ports with Male in September to cut costs and time taken to transport goods.

Governor Koshiyari expresses concern over Arnab Goswami's health, security

New delhi: Maharashtra Governor Bhagat Singh Koshiyari on Monday expressed his concern over health and security of news anchor and editor-in-chief of Republic TV Arnab Goswami who has been arrested for allegedly abetting suicide.

He spoke to the state home minister Anil Deshmukh to express his concern and also asked him to allow Goswami's family to see him. "Governor Bhagat Singh Koshiyari spoke to Maharashtra's Home Minister Anil Deshmukh and conveyed to him his concern over the security and health of news anchor and editor-in-chief of Republic Media

Network Arnab Goswami. The Governor also asked the Home Minister to allow the family of Arnab Goswami to see him and to speak to him," the Raj Bhavan said in a statement. This is not the first time when the Governor has expressed his concern for Goswami to Deshmukh. Earlier, he conveyed his concern over the manner in which the Republic TV chief was arrested, the statement said. Goswami was arrested on November 4 from his Lower Parel residence in connection with the case of abatement to suicide of interior designer Anvay Naik who, in his suicide note, had blamed Goswami and two others for his and his mother's deaths in 2018. The Bharatiya Janata Party has been attacking Uddhav Thackeray-led Maharashtra Vikas Aghadi government over Goswami's arrest saying that it is an attack on democracy. Most of the senior BJP leaders including Union home minister Amit Shah have criticized the MVA government.

Thieves steal cash, electronic items from Se Cathedral heritage site in Old Goa

New delhi: Thieves broke into the church complex of the historic Se Cathedral at Old Goa and stole cash and other electronic equipment, church authorities said Monday. No artefacts or items of historical importance have been reported stolen. "They broke into the office section of the church and have wiped clean the cupboards of cash and electronic equipment. Even the CCTV camera console has been stolen," Fr Alfred Vaz the parish priest of Old Goa, said. The break-in is

believed to have taken place on Sunday night and was noticed Monday morning. The historic church which dates back to the 16th century is a UNESCO world heritage site besides also being a site of important religious significance owing to its designation as the seat of the Goa Archbishop. The police have pressed dog squads into services as well as roped in fingerprint experts to try and identify the thieves but said the thieves made sure to leave no traces and have wiped down surfaces they could have touched.

BJP will lose in Bihar just like Trump lost in the US, says Sena mouthpiece Saamana

New delhi: A day ahead of the counting of votes in Bihar assembly elections, Shiv Sena on Monday said there will be a change of power in the state, with the Bharatiya Janata Party (BJP), which is part of NDA in the state, losing there just as Donald Trump did in the US. Predicting NDA's defeat under Nitish Kumar, an editorial in party mouthpiece Saamana also slammed the BJP over the Namaste Trump event in February 2020, when Donald Trump visited Ahmedabad and Delhi, amid coronavirus pandemic. "Power has already changed in America. At the same time, the National Democratic Alliance led by Nitish Kumar is clearly losing in the Bihar Assembly elections. Even though 'Namaste Trump' [event] was held in India, the people of the US have bid goodbye to Trump and have rectified their mis-

take. In Bihar, signs of a power change are clearly visible," the editorial said. The Sena mouthpiece added that Prime Minister Narendra Modi and Bihar chief minister Nitish Kumar did not stand a chance before Tejashwi Yadav and the people of Bihar had taken it upon themselves to bring in change. "People have taken Bihar elections in their hands. They did not kneel before PM Modi and Nitish Kumar. The crowds were soaring in Tejashwi Yadav's rallies. At the same time,

the country has also seen pictures of the lukewarm response of the crowd to PM Modi and Nitish Kumar during their rallies," the editorial remarked. It added that BJP and Janata Dal (United) had created jungle raj but the "People in Bihar have said 'You leave first, we will handle jungle raj even if it comes'" and went on to praise the people of Bihar and the US. The editorial slammed the government for spending crores in the time of a pandemic over Namaste Trump event in Ahmedabad earlier in February. "It cannot be denied that Donald Trump was invited to Gujarat in the middle of a pandemic and coronavirus spread because of the event," it said, adding, "Now the people of America have ended 'Trump's infection' forever." It added that Trump was never suitable for the office.

Child declared dead wakes up before burial in Dibrugarh, dies few hours later

New delhi: There was high drama at the Muttock Tea Estate in Dibrugarh district of Assam on Sunday after a child, declared dead earlier, woke up minutes before its burial, only to die a few hours later. Police in Lahowal arrested a compounder of the hospital and demanded stringent action against the compounder for declaring a living child dead. "Maybe the child would have survived if the compounder hadn't declared him dead and the parents had enough time to take him to a bigger hospital. We have lodged an FIR and arrested the compounder Gautam Mitra as he is not authorized to pronounce anyone dead," said Hazarika. Amid the drama, it started moving. It

was then rushed to Assam Medical College and Hospital (AMCH), where it was declared brought dead on arrival," he added. Following the incident, dozens of tea garden workers started protesting against the hospital and demanded stringent action against the compounder for declaring a living child dead. "The sick child, a boy aged less than one year, was taken to the hospital where he was declared dead by the compounder. The doctor of the hospital was absent at that time," said Hrishikesh Hazarika, in-charge, Lahowal police station. "But when the family was about to bury the child, it started moving. It

on Sunday night due to a fire at the hospital's maternity and obstetric section. Due to the fire, electricity supply to some parts of the hospital remained affected for a few hours and patients had to be shifted out for safety. Though there were allegations that a newborn child admitted at the ICU unit for babies had died due to disruption in power supply, senior police officials have ruled that out.
