## CBI raids TMC youth leader's homes in Kolkata in coal smuggling case; BJP targets Abhishek Banerjee

New delhi: The Central Bureau of Investigation (CBI) on Thursday raided three residences of businessman and youth Trinamool Congress (TMC) leader Vinay Mishra and businessman Amit Singh and Niraj Singh, who are siblings, in connection with the ongoing investigation into the coal smuggling case. None of the suspects were home during the raids. Notices were served, asking Mishra and the others to appear for questioning at the CBI office in Kolkata on January 4.

the home and office of Ganesh Bagaria, a Kolkata-based chartered accountant. Ever since the probe started in September, the Bharatiya Janata Party (BJP) has been alleging that the money from the sales was whitewashed through shell companies and siphoned into the funds of the ruling party. The BJP has also alleged that the main beneficiary is Abhishek Banerjee, Lok Sabha member and nephew of chief minister Mamata Banerjee.

Abhishek Banerjee is also the president of the TMC's youth wing. On July 20, he appointed 15 general secretaries, including Mishra. Accompanied by Central police force personnel, the CBI teams on Thursday simultaneously raided three apartments Mishra owns at Chetla and Rashbehari in south Kolkata and Lake Town in east Kolkata. Mishra's south Kolkata residences are located not far from the homes of Mamata and Abhishek Banerjee.

CBI officials refused to comment on the outcome of the raids and progress in the probe. An official said on condition of anonymity that several laptops, which were password protected, and documents were seized from Mishra's residences. Anup Majhi alias Lala, the prime suspect in this case, is absconding and a lookout notice has already been issued by the probe agency. In November, the CBI raided 36 offices allegedly run by Majhi and also conducted a probe at the ECL headquarters in Anasol. The CBI teams on Thursday also raided the residences of Amit Singh and Niraj Singh at Konnagar in Hooghly district. Mishra and the Singh siblings are also under a cloud over allegations of their possible involvement in the smuggling of coal to Bangladesh that the CBI is probing since 2018. Two Border Security Force (BSF) commandos have so far been arrested in this case and several more are under scanner alongside officials in the state police and the Customs. The BJP leadership took jabs at the TMC after Thursday's raids.

## Locality in Rajasthan's Jhalawar town under curfew after crows die of bird flu

New delhi: Authorities in Rajasthan's Jhalawar town have imposed a curfew in a one-km radius area it was confirmed that 50 crows had died of bird flu recently. Meanwhile, death of crows has also been reported from Jodhpur. Jhalawar District Collector Nigkyta Gohain has also instructed the Commissioner, Jhalawar Municipal Council to sanitise the affected area and close poultry and eggs shops there after the curfew was imposed Wednesday evening.

After the death of over 50 crows in the Rudi ke balaji temple in Jhalawar town on December 25, a joint team of wildlife department and animal husbandry department had inspected the area and sent samples to the National High Security Animal Disease Laboratory (NHSADL) in Anand Nagar, Bhopal for testing. "Avian influenza (Bird flu) has been found to be the cause of the death of the crows," District Collector, Jhalawar, Nigkyta Gohain said.

## CM Bhupesh Baghel complains to PM Modi over paddy procurement delay

A press note issued by the Chhattisgarh government said that PM Modi assured the CM of taking appropriate action in this regard

New delhi: Chhattisgarh chief minister Bhupesh Baghel on Thursday spoke to Prime Minister Narendra Modi over phone and informed him about the delay in permission for paddy procurement in the Kharif marketing year 2020-21. A press note issued by the Chhattisgarh government said that PM Modi assured the CM of taking appropriate action in this regard. On Wednesday, in a letter to PM Modi, CM Baghel had said the Centre had given 'in-principle approval' for depositing 60 lakh metric tonnes of rice in the central pool after the custom milling of paddy procured

from the farmers of the state in the Kharif marketing season. "Following the approval, the state government started purchasing paddy on minimum support price (MSP) from December 1 and till now, about 47 lakh tonnes of paddy has been procured from 12 lakh farmers. But at necessary permission for delivery of rice after custom milling of the purchased paddy to the FCI

might lead to damage to the produce," Baghel said. He further said that the Centre has agreed to provide only 1.45 lakh new justie gunny bags to the state against the demand of 3.50 lakh justie gunny bags and so far only 1.05 lakh bags have been provided. In the letter, he urged the Centre to fulfill the demands of the state government so that paddy procurement in the state can continue. Meanwhile, BJP leaders claimed that the state government is trying to hide the failure in procuring paddy in the state. "Most of the farmers of the state are suffering in selling their paddy at procurement centres. The government has done nothing for the farmers; they are only making mockery of procurement. Thousands of farmers are not getting a token for paddy selling... They are simply not due to and failed," said Sachchidanand Upasane, a senior BJP leader and spokesperson.

## Railways launch upgraded IRCTC website, call it a 'New Year gift' for travellers

New delhi: Union railways minister Piyush Goyal on Thursday launched the revamped version of the e-ticketing website of the Indian Railway Catering and Tourism Corporation (IRCTC). The new website claims to have complete user personalization linked to the user login, such as the booking of meals, retiring rooms and hotels too have been integrated and can be directly booked along with the tickets. The railway ministry pegged it as railways' "New Year gift to passengers". "The Railways is committed to serving the nation, and constantly working to augment its services to further improve the rail travel experience. This upgraded e-ticketing platform for booking of online railway tickets, will enhance passenger convenience... IRCTC should continue to work towards constantly improving the website and ensure that it is second to none in the world as per the Digital India mission and vision of the Prime Minister," Goyal

said. Predictive entry suggestions using Artificial Intelligence will be given to the passenger when he is entering the station. This will greatly reduce the hassle in searching for platforms and also save time in ticket booking, the railway ministry said. The website will also have simpler checking of the refund status on the user accounts page. Earlier this feature was not easily accessible, the ministry said. 'Regular' or 'Favourite' journeys can be booked easily by automatically entering relevant details. Train search selection has also been simplified by putting the information on one page to reduce the time used by passengers and enhancing the booking experience, the ministry said. "The level of these features will be even more advanced than the ones offered currently by the most ticketing websites. In most websites, the station search entry is still alphabetical, availability status is either not there or old in time.

## No night curfew in Bengal on New Year's eve, says chief secretary

New delhi: Night curfew will not be imposed in West Bengal on New Year's eve as the situation is not that adverse, a senior official has said. The state government, however, will take all precautionary measures to prevent gatherings on the occasion, he said. The current situation is not conducive to imposing a night curfew, chief secretary Alapan Bandyopadhyay said.

New Year celebrations are organised at a few places in West Bengal. If people abide by the Covid-19 safety protocols and cooperate with the police and administration, gatherings can be avoided," he said on Wednesday. The Ministry of Home Affairs has permitted states and union territories to impose local restrictions such as night curfew, if necessary, to prevent the spread of Covid-19. With a UK returnee testing positive for the mutant coronavirus strain in Kolkata, the chief secretary cautioned people and urged them to wear masks and maintain physical distancing. "People must cooperate with the administration and the police. There will be special assistance booths at places like Park Street and Victoria Memorial where a large turnout is expected," he said.
